PUBLIC NOTICE

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

1. Applicant: Mr. Darrell Kent
Brown County Board of Commissioners
P.O. Box 37
Nashville, IN 47448

2. Agent: Mr. Neal Bennett
Butler, Fairman, and Seufert, Inc.
8450 Westfield Blvd., Suite 300
Indianapolis, IN 46240

3. Project location: Section 19, Township 9 North, Range 3 East, Nashville USGS Quad
The project is located from Jefferson Street west of State Road 46 ending at Brown County State Park.

4. Affected waterbody: North Fork of Salt Creek, Greasy Creek, and Forested Wetlands

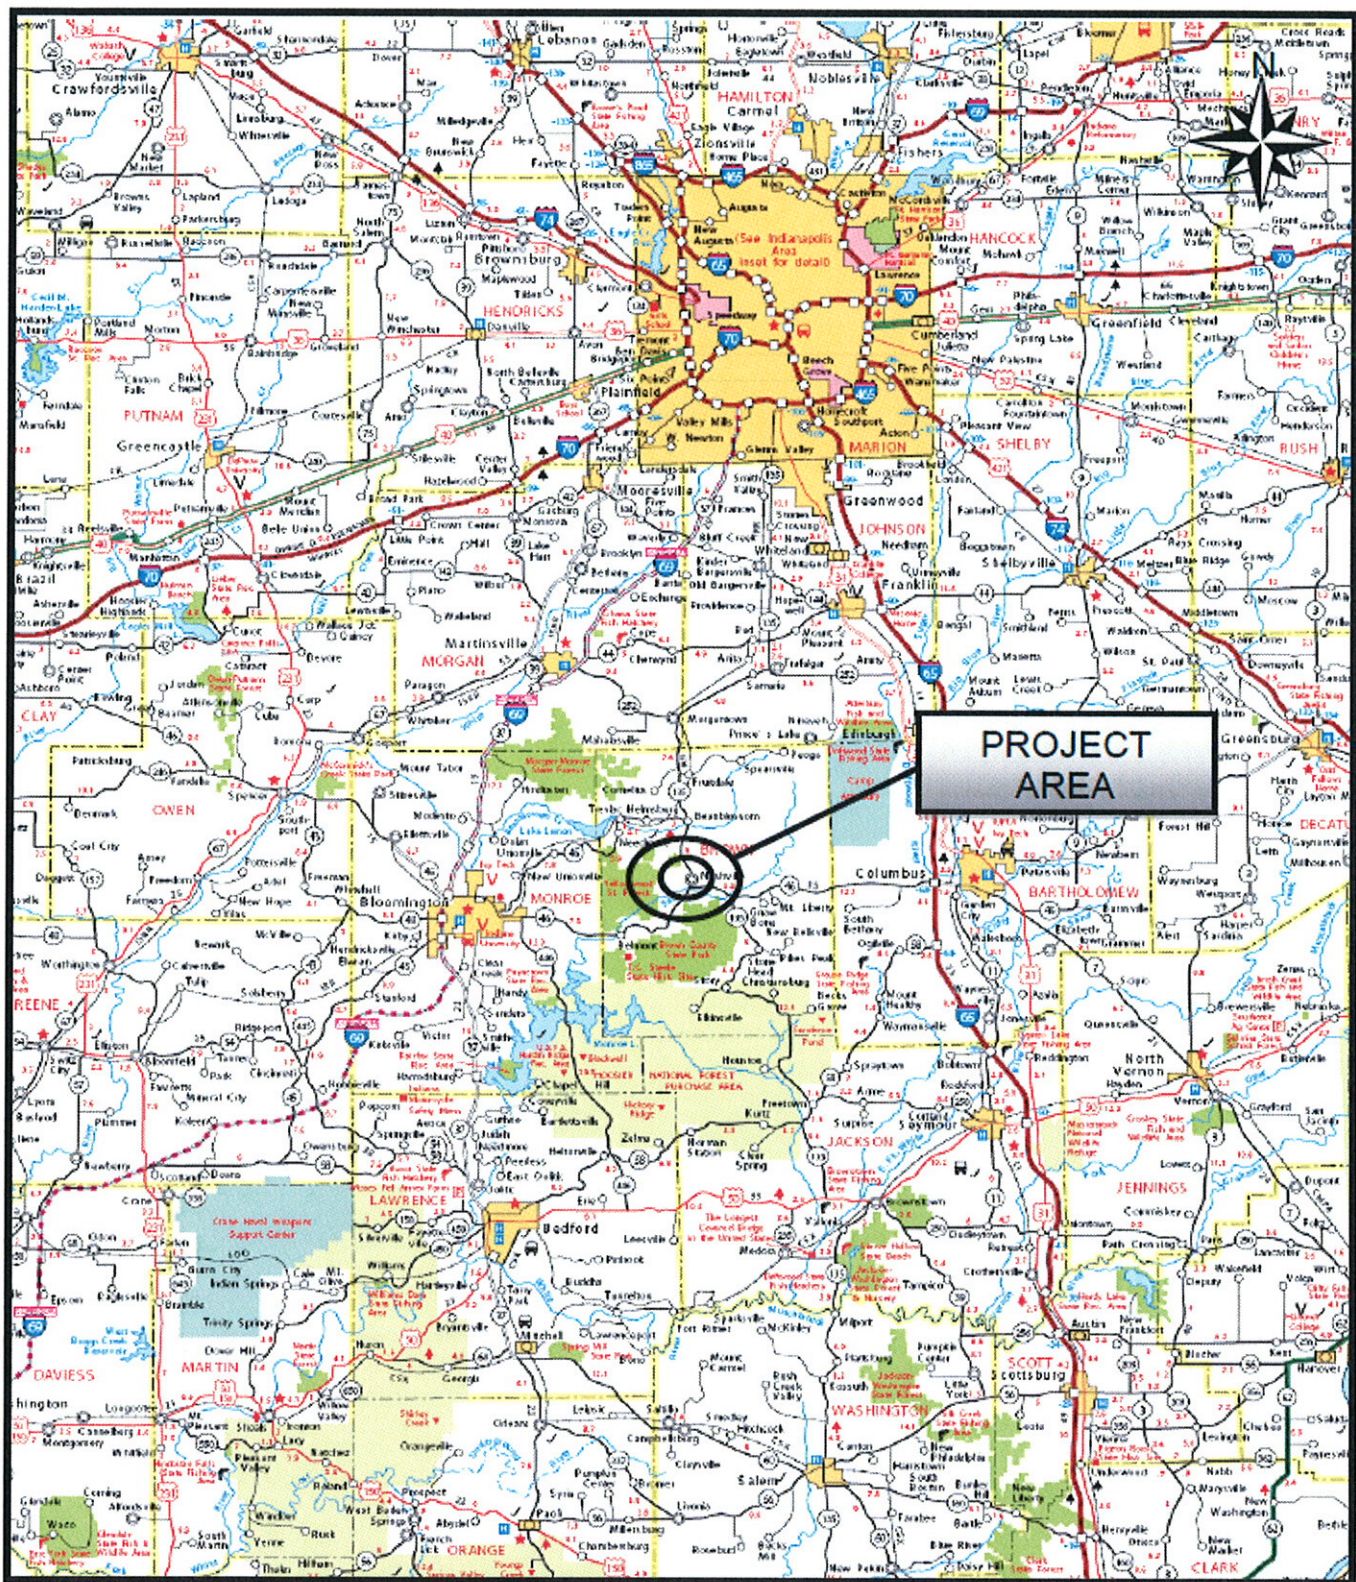

5. Project Description: The applicant proposes to construct a multi-purpose recreational trail that connects Nashville, IN to Brown County State Park. In order to do so, the applicant proposes to impact 0.32 acre of forested wetlands with the discharge of 1012.7 cubic yards of earthen fill. In addition, the applicant proposes to impact 64 linear feet of stream with the discharge of 0.007 acre of fill below the ordinary high water mark. The stream impacts are to facilitate the construction of a three-span pedestrian bridge and wetland impacts to facilitate the construction of the trail. As compensatory mitigation for impacts, the applicant proposes to construct 1.3 acres of forested wetlands. Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Mr. David Carr, Project Manager, at 317-234-6350. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
